

Annual Notification of the Availability of the District Asbestos Management Plan

The Edgemont Union Free School District has submitted information to the New York State Education Department regarding asbestos containing building materials in the school district. This information is documented in the school district's Asbestos Management Plan, which is in accordance with the United States Environmental Protection Agency (EPA) Asbestos Hazard Emergency Response Act (AHERA) of 1987 (40 CFR Part 763). This memorandum is intended to fulfill annual notification requirements.

In compliance with the AHERA Regulation, the school district conducted its 2016 Triennial Re-inspection April 22, 2019. The school district continues to perform the Six Month Periodic Surveillances as required under the AHERA Regulation. Documentation related to all inspections is available in the Asbestos Management Plan.

The Asbestos Management Plan for the Edgemont UFSD is located in the District Office with the Director of Facilities and is available to the public for review Monday through Friday from 9 A.M. - 3 P.M. Each school office within the District also maintains a copy of its Asbestos Management Plan that is available for viewing Monday through Friday 9 A.M. - 3 P.M

For more information, please contact the following person:

John McCabe, Director of Facilities, LEA Designee
