

## TRANSPORTATION TO A NON-PUBLIC SCHOOL

If you plan to send your child to a non-public school for the 2020-21 school year and she/he will need school bus service, you must complete and return an application no later than **April 1, 2020**. Families who are new to the district have 30 days from establishing residency to submit an application.

If you have not yet confirmed your child's acceptance at the school, you should still submit an application by the April 1 deadline in order to be approved for busing. If you are considering more than one school, you should submit a form for each school and then notify the transportation office of your final decision. A new application must be submitted for each school year.

To qualify for busing, you must have provided proof of residency to the Edgemont school district, and you must reside no more than 15 miles from the selected school.

[2020-2021 Application for out-of-district transportation](#)

***NOTE:*** No transportation is provided to private schools when district is closed **except** for Superintendent Conference days. Please check the district calendar for all relevant dates.
