WHAT YOU'LL FIND

IMPORTANT NOTES!

REMEMBER

Please keep the following in mind:

- Pick up and drop off times are approximate and reflect the scheduled/intended time, not necessarily the "live" time.
- Please anticipate delays during the first few weeks of school, as it takes time for students, parents & drivers to get used to the new routine.
- Any number of factors can impact pick up & drop off times, including traffic and school dismissal procedures. Please plan accordingly.
- **Please check the portal frequently before and during the first few weeks of school, since time adjustments may need to be made to allow for students being added to or removed from your route.**

NOTE RE: PASSWORDS

Please remember that passwords are reset to the **student ID** each school year. You password from last school year **will not work** for the current one. If it is your first time logging on for a new school year, please follow the instructions listed above.
