

Fire Inspection Report

During the month of February 2021, the Edgemont UFSD had its fire safety inspections conducted by a Code Enforcement Official from the Greenville Fire Company.

These State mandated inspections are conducted annually to ensure a safe environment for all who enter school district buildings. The fire inspection reports for the 2021-2022 school year are available for the public to review at the School District Office, 300 White Oak Lane, between 9 A.M. and 3 P.M.
